## **WHAT IS GREAT BEGINNINGS?**

Great Beginnings is a five-week instructional program targeted to three, four, five, six, and seven-year olds. The goal of this program is to help prepare young children for the challenges of organized sports in a non-threatening atmosphere without the worry of competition. Each child along with his or her parents work together to learn the basic motor skills needed to successfully move on to more organized sports in years to come. As the program progresses and children show improvement, the skill stations are altered so that each child remains challenged. Parents spend quality time with their child while learning how to properly teach and support them in sports. The program is designed to teach and develop motor skills, and cognitive abilities. This will be a fun time for all boys, girls, and parents.

## **WHO IS ED GREEN?**
